

iOS Version of New Smartphone Action Game “Shadow Escaper” Available in More than 150 Countries!

March 8, 2013
CyberConnect2 Co., Ltd.

CyberConnect2 Co., Ltd. is proud to announce that the iOS version of its latest smartphone action game “Shadow Escaper” is now available across more than 150 countries in the world, including Europe and Asia, in cooperation with GREE, Inc. since March 1, 2013.

“Shadow Escaper” is a free-to-play smartphone game taking place in a fantasy universe full of intense action and gorgeous visuals. It features two different gameplay modes and being now available across the world, users can compete against each others for the best score. An introduction video of the gameplay is available at the following address: <http://youtu.be/cYR8bd5evdo>.
