CyberConnect2 Co., Ltd.

CyberConnect2 Co., Ltd., a Japanese video game developer based in Fukuoka, Japan, announced today the release of the latest update (version 2.0.0) of its first action game for smartphones "Shadow Escaper", available in over 150 countries on App Store.

"Shadow Escaper" is a free-to-play smartphone game taking place in a fantasy universe full of intense action and gorgeous visuals with simple and intuitive controls. First launched on February 2013, it is now available in 156 countries since March 1, 2013. This version update brings great new functions and upgrades to the game.

### ■Added "Costume Rank Up" function! Select your style and enjoy leveling up your character!

Collect "Costume Tickets" that can be acquired during gameplay and exchange them to get new "Costumes"! In version 2.0.0, the long-awaited "Costume Rank Up" function has finally been added. Costumes have skills to extend items effect, increase energy acquisition and more in order to gain an advantage in play. Users will be able to rank up each of these costumes to enhance their still up to 5 times.
